

The NAADA Legacy Fund

The purpose

The newly created NAADA Legacy Fund is an endowment that will support the association's educational programs. The spendable earnings from the endowment will:

- Promote and sustain excellence in educational programming at NAADA's annual conference;
- Assist NAADA in achieving geographic and institutional diversity for future conference locations; and
- Provide resources for outreach educational programs.

The Challenge

Bob Bickford has offered to make a leadership gift of \$5,000 and he has committed to raising an additional \$5,000 in new contributions for a total of \$10,000. Bob challenges us to raise an additional \$20,000 in gifts and pledges by the 30th anniversary conference to be held at Iowa State University in June 2005.

The Plan

NAADA's board of directors will accept Mr. Bickford's challenge to raise at least \$20,000 by June 1, 2005. We hereby issue a request to all past and present NAADA participants to give generously so that we may achieve this goal and enable our association to consistently deliver educational programs that are of high quality and outstanding value.

Please help us continue the NAADA legacy for another 30 years and beyond!
